Dear Sirs:

Please find attached the Montana Ducks Unlimited (MTDU) proposal for the 2021 Shiras Moose License. MTDU is uniquely positioned to promote a competitive auction for the moose license. Ducks Unlimited (DU) has an extensive nationwide membership. Additionally, DU has over 5,000 major donors who we will actively solicit for their interest.

At our Helena banquet in March of this year we successfully sold the 2020 Shiras Moose license at auction for \$36,000! We were very pleased with our 6-year average of +\$36,750 for this much sought after permit.

We have attached some additional reference material on our State and National organization. This information is contained in Appendix B.

Thank you for the opportunity to again participate in the Montana Shiras Moose Auction License process.

Sincerely,

Jake R Hansen

Following are the Montana Ducks Unlimited Proposal Contents as per ARM 12.3.131(3):

A. Statement of the Organizations purpose

Ducks Unlimited is the world's leader in wetlands and waterfowl conservation. DU got its start in 1937 during the Dust Bowl when North America's drought-plagued waterfowl populations had plunged to unprecedented lows. Determined not to sit idly by as the continent's waterfowl dwindled beyond recovery, a small group of sportsmen joined together to form an organization that became known as Ducks Unlimited. Its mission: habitat conservation.

Ducks Unlimited: Our Mission

Ducks Unlimited conserves, restores, and manages wetlands and associated habitats for North America's waterfowl. These habitats also benefit other wildlife and people.

B. Copies of By-Laws or articles of incorporation

Articles of Incorporation, By-Laws, and 501(c)(3) Tax Status documents are contained in Appendix A

C. Details of organizations previous involvement in the conservation of the species hunted under the license

Ducks Unlimited has been delivering wetland restoration and protection projects in Montana since 1984. Many of these provide quality habitat for Shiras Moose.

There exists no better example of prime moose habitat than the pristine wetland and riparian complexes that cover the landscape from the Rocky Mountains to the prairies across the state. These moist soil complexes continue to be a principal focus for Ducks Unlimited. Our work along riparian corridors and in wetland complexes have restored and conserved critical habitats. These areas are used by a multitude of important wildlife species; including moose as they move from their summer ranges to their

wintering habitat. Healthy populations of both ducks and moose go hand-in-hand with wetlands conservation. There are no better advocates for wetlands than the members of Ducks Unlimited.

Montana DU has members in every county of the state. Our members and volunteers have embodied the spirit of wetlands conservation since our founding. Furthermore, Montana DU has four full-time conservation employees widely recognized for their knowledge of wetlands habitat conservation. Each biologist has an intimate knowledge of the state's wetland areas thus assuring the successful implementation of habitat projects.

In Montana for the period from 1984 to present DU has:

- Spent over \$28,870,000 on habitat conservation
- Conserved 326,300+ acres
- Provided technical assistance on 72,000+ acres
- Conserved over 2,400 acres thru the federally funded Wetland Reserve Program (WRP)

Over the last 7 years, Ducks Unlimited has assisted the Natural Resources Conservation Service (NRCS) with the perpetual protection of approximately 2,400 acres of wetland, riparian, and adjacent upland habitat (e.g. grassland and forestland) across Montana through the Wetland Reserve Program (WRP), a conservation easement funded by the Farm Bill. These easements provide habitat for a diverse array of wildlife including moose, elk, deer, grizzly bear, pronghorn antelope, migratory waterfowl, and grassland bird species. Ducks Unlimited is currently working with NRCS to protect another 10,500 acres of wetland and associated habitat through the Wetland Reserve Easement (WRE), also administered through the Farm Bill.

D. Details of the organizations previous experience in auctions or lotteries

General:

Since its founding in 1937, Ducks Unlimited has been the leader in conservation fundraising techniques. Montana's DU chapters host events throughout the state including dinner banquets, sporting shoots, youth events, and sealed bid auction sales. DU was the originator of the conservation fundraising dinner event structure. Live and silent auctions are typically features at our banquets. Every fundraising event also includes numerous raffles involving active ticket sales and detailed control of money and tickets. DU events are held throughout the year with peak event times in the spring and fall months. In addition, Montana DU annually hosts a state volunteer celebration in Bozeman.

Specific to the Shiras Moose License:

The Montana FWP has awarded the auction Shiras Moose license to Montana Ducks Unlimited the past six years (2015-20) where it is offered annually at our Helena banquet in March. MTDU's 6-year average over \$36,750.

E. Information on how the auction or lottery would be conducted and estimate of the potential revenue that will be generated

Montana Ducks Unlimited will, if awarded the moose license, offer it at auction at our spring 2021 Helena fundraising banquet. Auctioning this license was the banquet highlight the past five years, so we expect the same in 2021. At the Helena DU banquet in March 2020 we sold the Shiras Moose license for \$36,000; far above 1997-2012 sale average of \$15,000.

We will take advantage of our sizeable membership database (+725,000) to market this program to DU members both in Montana and nationwide. We will promote the moose license auction by:

- Local distribution of posters advertising the event
- Mailers will be prepared highlighting the moose license banquet date. These will be sent to past attendees.
- Up to two "Email Blasts" to our local, state, and national major donors.

- Aggressive internet advertising utilizing our DU national and state websites.
- Advertise and promote this opportunity through our national monthly “DU Magazine” (circulation of +675,000).

During the auction of the moose license we will again be equipped to accept phone bids. At the 2020 auction, we had 5 pre-registered phone bidders. All of those actively participated in the auction. The successful bidder was one of those six.

F. A statement indicating whether the organization plans to retain up to 10% of the proceeds to cover reasonable auction expenses and that the organization will submit expenses associated with the auction of the license.

Yes, Montana DU would like to retain up to 10% of the moose license auction proceeds to cover expenses. We will submit documentation associated with those expenses.

ARTICLE XII

Indemnification

Section 12.1. General. The corporation shall indemnify, and advance Expenses (as hereinafter defined) to, Indemnitee (as hereinafter defined) as provided in this Article and to the fullest extent permitted by applicable law.

Section 12.2. Definitions. For purposes of this Article:

(a) "Corporate Status" means the status of a person who is or was a Director, officer, employee or fiduciary of the corporation or of any subsidiary of the corporation or any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person is or was serving at the request of the corporation. Corporate Status shall also include an agent who files reports and/or documents with state or federal governmental agencies or instrumentalities by or on behalf of the corporation or any subsidiary of the corporation or any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise at the request of the corporation. The Board of Directors may in its discretion deem that an employee or agent of the corporation or of any subsidiary of the corporation or any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person is or was serving at the request of the corporation has Corporate Status and is thereby entitled to indemnification pursuant to this Article.

(b) "Disinterested Director" means a director of the corporation who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

(c) "Expenses" means all reasonable attorneys' fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, investigating, or being or preparing to be a witness in a Proceeding.

(d) "Indemnitee" means any person who is, or is threatened to be made, a witness in or a party to any Proceeding as described in Sections 12.3, 12.4, 12.5 or 12.9 of this Article by reason of such person's Corporate Status.

(e) "Independent Counsel" means a law firm, or a member of a law firm, that is experienced in matters of corporate law and neither presently is, nor in the past five years has been, retained to represent: (i) the corporation or Indemnitee in any matter material to either such party; or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term "Independent Counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the corporation or Indemnitee in an action to determine Indemnitee's rights under this Article.

(f) "Proceeding" means any action, suit, arbitration, alternative dispute resolution mechanism, investigation, administrative hearing or any other proceeding whether civil, criminal, administrative or investigative, except one initiated by an Indemnitee pursuant to Section 12.10 of this Article to enforce such person's rights under this Article though subject to the provisions of Section 12.10(e).

Section 12.3. Proceedings Other Than Proceedings by or in the Right of the Corporation. Indemnatee shall be entitled to the rights of indemnification as provided in this Article if, by reason of such person's Corporate Status, he or she is, or is threatened to be made, a party to any threatened, pending, or completed Proceeding, other than a Proceeding by or in the right of the corporation. Pursuant to this Section 12.3, Indemnatee shall be indemnified against Expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by Indemnatee or on Indemnatee's behalf in connection with such Proceeding or any claim, issue or matter related thereto, if such person acted in good faith and in a manner Indemnatee reasonably believed to be in or not opposed to the best interest of the corporation, and, with respect to any criminal Proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 12.4. Proceedings by or in the Right of the Corporation. Indemnatee shall be entitled to the rights of indemnification as provided in this Article if, by reason of such person's Corporate Status, he or she is, or is threatened to be made, a party to any threatened, pending or completed Proceeding brought by or in the right of the corporation to procure a judgment in its favor. Pursuant to this Section 12.4, Indemnatee shall be indemnified against Expenses actually and reasonably incurred by Indemnatee or on Indemnatee's behalf in connection with such Proceeding if such person acted in good faith and in a manner Indemnatee reasonably believed to be in or not opposed to the best interests of the corporation. Notwithstanding the foregoing, no indemnification against such Expenses shall be made in respect of any claim, issue or matter in such Proceeding as to which Indemnatee shall have been adjudged to be liable to the corporation if applicable law prohibits such indemnification; provided, however, that indemnification against Expenses shall nevertheless be made by the corporation in such event if and only to the extent that the Court of Chancery of the District of Columbia, or the court in which such Proceeding shall have been brought or is pending, shall determine.

Section 12.5. Indemnification for Expenses of a Party Who is Wholly or Partly Successful. Notwithstanding any other provision of this Article, to the extent that Indemnatee has met the applicable standard of care set forth in Sections 12.3 and 12.4, such person shall be indemnified pursuant to the provisions herein in defense of any Proceeding or any claim, issue or matter relating thereto. If it is determined that Indemnatee has not met the applicable standard of care as to one or more but less than all claims, issues or matters in a Proceeding, the corporation shall indemnify Indemnatee against all Expenses actually and reasonably incurred by Indemnatee or on Indemnatee's behalf in connection with each such claim, issue or matter with respect to which Indemnatee did meet the applicable standard of care.

Section 12.6. Indemnification for Expenses of a Witness. Notwithstanding any other provision of this Article, to the extent that Indemnatee is, by reason of such person's Corporate Status, a witness in any Proceeding, Indemnatee shall be indemnified against all Expenses actually and reasonably incurred by Indemnatee or on Indemnatee's behalf in connection therewith.

Section 12.7. Procedure for Determination of Entitlement to Indemnification.

(a) To obtain indemnification under this Article, Indemnatee shall submit to the corporation a written request, including therein or therewith such documentation and information as is reasonably available to Indemnatee and is reasonably necessary to determine whether and to what extent Indemnatee is entitled to indemnification. The Secretary of the corporation shall, promptly upon receipt of such a request for indemnification, advise the Board of Directors in writing that Indemnatee has requested indemnification.

(b) Upon written request by Indemnitee for indemnification, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in the specific case as follows (i) by the Board of Directors by a majority vote of a quorum consisting of Disinterested Directors, or (ii) if a quorum of the Board of Directors consisting of Disinterested Directors is not obtainable or, even if obtainable, such quorum of Disinterested Directors so directs, by Independent Counsel in a written opinion to the Board of Directors, a copy of which shall be delivered to Indemnitee. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination.

(c) In the event the determination of entitlement to indemnification is to be made by Independent Counsel, the Independent Counsel shall be selected by the Board of Directors, and the corporation shall give written notice to Indemnitee advising Indemnitee of the identity of the Independent Counsel so selected. Indemnitee may, within seven (7) days after such written notice of selection shall have been given, deliver to the corporation a written objection to such selection. Such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of "Independent Counsel" and the objection shall set forth with particularity the factual basis of such assertion. If, within twenty (20) days after submission by Indemnitee of a written request for indemnification, no Independent Counsel shall have been selected or the other party has objected to the selection of Independent Counsel, either the corporation or Indemnitee may petition the Court of Chancery of the District of Columbia, or any other court of competent jurisdiction (the "Court") for resolution of any objection which shall have been made by the corporation or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the Court or by such other person as the Court shall designate, and the person with respect to whom an objection is so resolved or the person so appointed shall act as Independent Counsel. The corporation shall pay any and all reasonable fees and expenses of Independent Counsel in connection with its acting pursuant to Section 12.7(b) of this Article, and the corporation shall pay all reasonable fees and expenses incident to the procedures of this Section 12.7(c), regardless of the manner in which such Independent Counsel was selected or appointed.

Section 12.8. Presumptions and Effect of Certain Proceedings.

(a) When making a determination with respect to entitlement to indemnification hereunder, the person, persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Article if Indemnitee has submitted a request for indemnification in accordance with Section 12.7(a) of this Article, and the corporation shall have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption.

(b) If the person, persons or entity empowered or selected under Section 12.7 of this Article to determine whether Indemnitee is entitled to indemnification shall not have made such determination within sixty (60) days after receipt by the corporation of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law, provided, however, that such sixty (60)

day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

(c) The termination of any Proceeding or of any claim, issue or matter related thereto by judgment, order, settlement or conviction, or upon a plea to nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Article or by law) of itself adversely affect the right of Indemnatee to indemnification or create a presumption that Indemnatee did not act in good faith and in a manner which Indemnatee reasonably believed to be in or not opposed to the best interests of the corporation or, with respect to any criminal Proceeding, that Indemnatee had reasonable cause to believe that Indemnatee's conduct was unlawful.

Section 12.9. Advancement of Expenses. The corporation shall advance all reasonable Expenses incurred by or on behalf of Indemnatee in connection with any Proceeding within twenty (20) days after the receipt by the corporation from Indemnatee of a statement reasonably evidencing the Expenses incurred by Indemnatee requesting such payment, whether prior to or after final disposition of such Proceeding. Such statement shall be preceded or accompanied by an undertaking by or on behalf of Indemnatee to repay any Expenses advanced if it shall ultimately be determined that Indemnatee is not entitled to be indemnified against such Expenses.

Section 12.10. Remedies of Indemnatee.

(a) In the event that (i) a determination is made pursuant to Section 12.7 of this Article that Indemnatee is not entitled to indemnification under this Article, (ii) advancement of Expenses is not timely made pursuant to Section 12.9 of this Article, (iii) the determination of entitlement to indemnification is to be made pursuant to Section 12.7(b) of this Article and such determination shall not have been made within ninety (90) days after receipt by the corporation of the request for indemnification, or (iv) payment of indemnification is not made within ten (10) days after a determination has been made that Indemnatee is entitled to indemnification, Indemnatee shall be entitled to an adjudication in the Court of Indemnatee's entitlement to such indemnification or advance of Expenses. Alternatively, Indemnatee, at Indemnatee's option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the rules of the American Arbitration Association. Indemnatee shall commence such proceeding seeking an adjudication or an award in arbitration within one hundred eighty (180) days following the date of which Indemnatee first has the right to commence such proceeding pursuant to this Section 12.10(a). The corporation shall not oppose Indemnatee's right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 12.7 of this Article that Indemnatee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 12.10 shall be conducted in all respects as a de novo trial, or arbitration, on the merits and Indemnatee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 12.10 the corporation shall have the burden of proving that Indemnatee is not entitled to indemnification or advancement of Expenses, as the case may be.

(c) If a determination shall have been made or deemed to have been made pursuant to Sections 12.7 or 12.8 of this Article that Indemnatee is entitled to indemnification, the corporation shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 12.10, absent (i) a misstatement by Indemnatee of a

material fact, or an omission of a material fact necessary to make Indemnatee's statement not materially misleading, in connection with the request for indemnification, of (ii) a prohibition of such indemnification under applicable law.

(d) The corporation shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 12.10 that the procedures and presumptions of this Article are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the corporation is bound by all the provisions of this Article.

(e) In the event that Indemnatee, pursuant to this Section 12.10, seeks a judicial adjudication of or an award in arbitration to enforce Indemnatee's rights under, or to recover damages for breach of, this Article, Indemnatee shall be entitled to recover from the corporation, and shall be indemnified by the corporation against, any and all expenses (of the types described in the definition of Expenses in Section 12.2 of this Article) actually and reasonably incurred by Indemnatee in such judicial adjudication or arbitration, but only if such person prevails therein. If it shall be determined in said judicial adjudication or arbitration that Indemnatee is entitled to receive part but not all of the indemnification or advancement of Expenses sought, the expenses incurred by Indemnatee in connection with such judicial adjudication or arbitration shall be appropriately prorated.

Section 12.11. Non-Exclusivity; Survival of Rights; Insurance; Subrogation.

(a) The rights of indemnification and to receive advancement of Expenses as provided by this Article shall not be deemed exclusive of any other rights to which Indemnatee may at any time be entitled under applicable law, the Certificate of Incorporation, the By-Laws, any agreement, a vote of stock holders or a resolution of Disinterested Directors, or otherwise. No amendment, alteration or repeal of this Article or of any provision hereof shall be effective as to any Indemnatee with respect to any action taken or omitted by such Indemnatee in such person's Corporate Status prior to such amendment, alteration or repeal. The provisions of this Article shall continue as to an Indemnatee whose Corporate Status has ceased and shall inure to the benefit of such person's, heirs, executors and administrators.

(b) The corporation may purchase and maintain insurance on behalf of any person with Corporate Status, whether or not the corporation would have the power to indemnify such person. To the extent that the corporation maintains an insurance policy or policies providing liability insurance for persons with Corporate Status, Indemnatee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, fiduciary, employee or agent under such policy or policies.

(c) In the event of any payment under this Article, the corporation shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnatee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the corporation to bring suit to enforce such rights.

(d) The corporation shall not be liable under this Article to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnatee has otherwise actually received such payment under any insurance policy, contract, agreement, or otherwise.

Section 12.12. Severability. If any provision or provisions of this Article shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Article (including without limitation, each portion

of any Section of this Article containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Article (including, without limitation, each portion of any Section of this Article containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

Section 12.13. Certain Persons Not Entitled to Indemnification or Advancement of Expenses. Notwithstanding any other provision of this Article, no person shall be entitled to indemnification or advancement of Expenses under this Article with respect to any Proceeding, or any claim therein, brought or made by such person against the corporation.

DU's Financial Accountability

At Ducks Unlimited, you can rest assured that your gifts are being utilized effectively.

Making a philanthropic gift to your favorite cause has become easier over the years. Today, the traditional means of giving through the mail and in person are augmented by [online giving](#) and automatic debits from your checking account. It's so easy to give, but how do you know how well an organization is using those gifts?

At Ducks Unlimited, you can **rest assured that your gifts are being utilized effectively**. We strive to use at least 80 percent of every dollar funding our mission. Fortunately and through diligence over the last several years, DU has been able to put 86-88 cents of every dollar into our conservation mission.

bbb.org/charity

In addition to our outside auditors who ensure that we are doing what we said we would with your dollars, there are also other ways to tell if DU is effectively using your gifts. One of the most valuable certifications comes from the Better Business Bureau Wise Giving Alliance. DU meets all 20 Standards for Charity Accountability. The Alliance bases its decision on audited financial statements and a stringent 20-question rubric that reviews DU's governance and oversight, organizational effectiveness, financials, and fundraising and informational materials. You can view the report on DU at www.bbb.org/charity by clicking on "Check out a Business or Charity" and searching for Ducks Unlimited in Tennessee.

Ducks Unlimited has also received the "Top-Rated Charity" designation from the American Institute of Philanthropy. Our A- rating generally means that we spend 75 percent or more of our budget on programs, spend \$25 or less to raise \$100 in public support, do not hold excessive assets in reserve, and disclose basic financial information and documents to AIP and our donors.

Each year The Chronicle of Philanthropy compiles "[The Philanthropy 400](#)," a list ranking nonprofit organizations based on the amount of money raised (not including government funds) in the previous year from individuals, foundations, and corporations. Ducks Unlimited has been a consistent member of the list rising as high as 120; for 2010, we were ranked 131. We were one of 16 groups in the 'environmental/animal welfare' category to be included, second only to TNC in our ranking.

Ducks Unlimited is committed to doing our best work with dollars you invest in our [mission](#). We appreciate the outside validation from the organizations above, but our greatest validation comes from the [continued support](#) of people like you!

What a year!

By Bob Sanders, Manager of Conservation Programs

Ducks Unlimited, in concert with our many partners, impacted a record 100,037 acres and provided 85,508 acres of technical assistance in Fiscal Year 2019 (FY19). Strong partnerships and generous contributions from donors and volunteers are the backbone of the conservation accomplishments in Montana.

DU is celebrating its ninth year of cooperation with USDA's Natural Resources

Conservation Service (NRCS) in Montana. DU conservation staff play key roles in delivering USDA programs, including the Wetland Reserve Easement and the

Bob Sanders

Agricultural Land Easement programs. During 2019, the USDA and DU partnership secured 76,896 acres of permanent and term habitat protection agreements and provided more than 85,000 acres of technical assistance on private lands. Thanks to this incredible partnership, Montana ranks number one in USDA easement deliveries in the United States.

The partnership among DU, the U.S. Fish and Wildlife Service (USFWS) and private landowners focuses on our highest priority landscapes along Montana's Hi-Line. With many landowners converting marginal croplands to permanent grass cover, demand for USFWS programs has reached all-time highs. Ranchers pursuing easements on their lands receive a cash payment and qualify for cost-sharing to improve infrastructure such as stock water for livestock and fencing. In 2018-19, USFWS and DU finalized easements with six landowners that will permanently protect 12,638 acres of Montana's Prairie Pothole habitat. These easements allow flexibility for ranchers to operate while keeping grasslands and wetlands intact.

Restoration of wetlands, grasslands and ranch infrastructure through the USFWS Partners for Fish and Wildlife program improved 10,490 acres of priority waterfowl breeding habitat. This voluntary program provides conservation and financial assistance to private landowners who conserve fish and wildlife habitat on their properties for federal trust resources.

The 2019 Montana legislative session was a resounding success thanks to numerous DU volunteers and other conservation supporters. This was the second session where DU partnered with like-minded conservation groups to form the Montana Sporting Coalition, a collaborative effort to lobby legislators for pro-conservation legislation. As a result, important bills that provide funding for Montana Fish, Wildlife and Parks were successfully passed and a bill that would complicate the establishment of state-held conservation easements was defeated.

DU celebrates *Rescue Our Wetlands*

Ducks Unlimited supporters celebrated Montana’s *Rescue Our Wetlands* project at Benton Lake National Wildlife Refuge (NWR) near Great Falls. Supporters who made a formal commitment to DU during the campaign in Montana were recognized on a special bronze plaque. Ducks Unlimited’s *Rescue Our Wetlands* campaign raised \$2.34 billion and conserved more than 2.2 million acres of wetlands and associated habitats across North America.

Benton Lake NWR is part of a 163,304-acre national wildlife refuge complex. It encompasses a diverse landscape of wetlands, mixed-grass prairie, forests, intermountain grasslands, rivers and lakes. Ducks Unlimited and partners restored 2,194 acres of wetland habitat on the refuge.

Ducks Unlimited’s biology and engineering team designed a water conveyance system and water-control structures for several wetland units on the refuge. In the second phase of the project, DU installed another water-

control structure to help NWR staff more efficiently manage water levels. The two structures allow for independent water management capabilities, essential to the refuge’s ongoing selenium remediation and water availability challenges. Better water control capabilities also allow managers to provide optimal foraging conditions for migratory waterfowl and other birds.

Staff at Benton Lake were concerned about the refuge’s increased levels of selenium, a naturally occurring substance that can be toxic. In addition to water challenges, the Great Falls-area NWR wanted to improve the overall quality and quantity of its habitat.

The project partners included Ducks Unlimited, U.S. Fish and Wildlife Service, Montana Fish, Wildlife and Parks and Pheasants Forever, and utilized funds from the North American Wetlands Conservation Act.

A unique incentive to make Montana a million-dollar state

Montana supporters at DU convention in Hawaii celebrating \$1 million accomplishment

Ducks Unlimited Senior Regional Director Barry Allen and DU Director of Development Chris Hildebrandt say raising \$1 million for DU in Montana is a great reason to shave your head.

“We thought if we were willing to sacrifice our hair, our volunteers and supporters would be willing to give their time and donations,” Allen said.

Hildebrandt and Allen will shave their heads at the Montana Volunteer Celebration on Feb. 8 to mark Montana’s success. The challenge was set in 2016 and the volunteers kicked their fundraising into high gear during the following three years.

“We had a big gain during the first year, but last year we fell short by \$35,000,” said Hildebrandt. “We

reached our goal in June. Never in the history of DU has a state with a population of a million or fewer people raised \$1 million.”

Montana State Chair, Scott Johnson, saw making Montana a million-dollar state as an achievable challenge. He traveled across the state with his mom, Shirley Johnson, attending events and rallying volunteers.

“My mom and I attended 32 events in 18 months. It gave us an opportunity to spend time together and interact with volunteers who are as passionate about DU as we are,” said Johnson.

When donors John and Alexandra “Alex” Spizziri finalized their benefactor gift at the 2019 DU National Convention in Hawaii, it put the state over the top. The DU volunteers and supporters in Montana will now have the distinction of accomplishing a unique goal and seeing Barry and Chris lose some hair.

Workshop held to educate producers about cover crops

Ducks Unlimited partnered with NRCS, Blaine County Conservation District and Pheasants Forever to host a cover crop workshop. Producers from Blaine, Hill and Phillips counties learned about the benefits of five soil-health principles and how to incorporate them into their operations. Benefits include minimizing disturbance, increasing plant diversity, maintaining living roots in the soil, keeping the soil covered and incorporating livestock.

During the workshop NRCS Area Resource Conservationist Marni Thompson used a rainfall simulator to demonstrate how different land management practices impact water infiltration into the soil. The simulator compares rainfall on five different field samples simultaneously.

“The amount of water the soil can efficiently use to build soil health on a field with a cover crop compared to wheat fallow is immediately evident,” said Adam McDaniel, DU conservation specialist in Montana. “The cover crop field absorbs the water and soil run off is minimal, whereas the wheat fallow sample has significant soil erosion and poor water infiltration.”

The group visited cover crop fields planted with various seed mixes and discussed the importance of designing a seed mix that will satisfy a producer’s objectives. Depending on the operation, a producer may want to increase soil organic matter, reduce soil compaction, improve water infiltration or enhance grazing and haying opportunities for livestock. One way to increase plant diversity and improve soil cover is to plant cover crops.

The workshop ended with a social hour and discussion about cost-share opportunities through programs offered by the partners conducting the workshop. Ducks Unlimited staff in Montana is getting guidance from DU biologists in North Dakota to develop a cost-share cover crop program for farmers interested in incorporating cover crops into their rotations.

By helping producers plant cover crops, DU’s objective is to improve water quality by reducing chemical and fertilizer runoff and decreasing sedimentation in wetlands. This leads to healthier wetlands and improved waterfowl habitat. The cover crop program also seeks to alleviate grazing and haying pressure on native grasslands and pastures during peak nesting season by increasing forage opportunities for producers with mixed operations. These practices improve waterfowl nesting habitat in agricultural areas of the Prairie Pothole Region.

Montana couple supports DU’s mission

John and Alex Spizziri are long-time DU members who started volunteering in the 1980s. John was introduced to DU when his best friend invited him to a dinner. He soon started volunteering for the local committee. John served as a state chair for two years when he lived in New Jersey and was an officer for the Hudson River DU Chapter before he and Alex moved to Montana to be closer to family. The Spizziris now live in Ryegate, Montana, a ranching community 60 miles northwest of Billings, and are involved with the Montana State Council.

“I’ve always been an outdoor person and I enjoy the environment,” John said. “I support DU’s habitat enhancement and protection efforts and I like the goals of DU’s conservation programs.”

John and Alex Spizziri, with their great grandchildren, receiving Benefactor Roll of Honor recognition

The couple has a history of giving to DU. They are on the Benefactor Roll of Honor and have been members of the President’s Council for several years. Even their dogs have gotten in on the DU giving as part of DU’s Retriever Club. At the DU convention in Hawaii, John and Alex completed their Benefactor level pledge of \$100,000, putting Montana over the top for its \$1 million fundraising goal. [Front Page >>](#)

Montana celebrates Bruce Posey

Ducks Unlimited volunteers and staff gathered on the prairies of Montana to dedicate a plaque and cairn to Bruce Posey, a long-time DU sponsor, leader and volunteer. The fundraising tribute, which began in 2018, raised more than \$6 million for DU's work in the Prairie Pothole Region and other priority areas.

Bruce developed a love for the outdoors at an early age while hunting with his father. His volunteer leadership positions included area chair, state chair, national board member and senior vice president.

The 30-acre dedication site is on a 1200-acre property of native shortgrass prairie with wetlands, riparian

habitat and a creek. The land was acquired through DU's revolving habitat program. The habitat on the property is permanently protected and the land will likely be sold to an area rancher. DU will work with the future landowner to maintain access to the dedication site. [Front Page >>](#)

Phillips County, a focus for DU's conservation work

Through word-of-mouth, attractive conservation programs, and hard work by ranchers over the last couple of years, Ducks Unlimited and partners created a complex south of Dodson that includes more than 11,000 acres of protected wetlands and grasslands. At the same time, the protected acres are still in agriculture and the majority are in private ownership.

"DU and our partners want to keep ranchers in business," said Bob Sanders, DU manager of conservation programs for Montana. "Helping Phillips County landowners find conservation programs that work with their operations has helped keep grass and water on the landscape. That's good for cattle and wildlife."

Ducks Unlimited and its partners have invested more than \$2 million in these efforts which include assistance with fencing, water and protecting and improving grassland. The U.S. Fish and Wildlife Service, USDA's Natural Resources Conservation Service and Montana Fish, Wildlife and Parks offer a variety of programs tailored to fit landowners' specific needs.
